

# Animal/Pet Policy

Missouri Valley College has a restriction that no pets are allowed in buildings operated by the college. Missouri Valley College does accept emotional support animals. To have an emotional support animal reside with you, a scheduled appointment with and proper documentation will need to be filed with The Office of Accessibility and Disability/504 Compliance Coordinator. Students must complete the entire process before bringing their emotional support animal to Missouri Valley College. Anyone caught in violation of this policy will result in a \$250 fine and immediate removal of the animal. Any further violations could result in additional fines and loss of housing.
